

NEIGHBOURHOOD ACTION GROUP

The NAG is looking for new members

Have you seen something in your area and thought someone should..?

Well, that someone could be you!

Do you care about your community, want to do something to help put right those things that concern you? Then - as a resident - the NAG needs your help! You only need to give a couple hours of your valuable time a month but the contribution that you make could make a real difference to the neighbourhood you are part of.

The NAG is made up of members from the local community including : residents, the Police, Milton Keynes Council, the Parish Council and other agencies such as the Fire Service, schools, housing associations and local businesses.

As a member of the NAG you will be helping to solve local issues that concern the community and aim to:-

- *improve neighbourhood safety.*
- *reduce crime and disorder.*
- *help make the neighbourhood a better, cleaner place to live in.*
- *bring about a greater sense of reassurance, community spirit and improved quality of life for all.*

Please come and join us – *you can make a difference!*

Want to know about more about the NAG ? You can either contact a Neighbourhood Police Officer, or a Parish Councillor who will put you in touch with your local NAG member; or alternatively, have a look at the Parish Council website - [www.kentshill-monkston-pc.org.uk/neighbourhood action/](http://www.kentshill-monkston-pc.org.uk/neighbourhood%20action/) where there is lots of information about NAGs.

our next meeting is on Monday 25th January 2010 at the The Church of Christ The King, Kents Hill, Milton Keynes at 7.00pm. You will be most welcome!
