

Kents Hill & Monkston Neighbourhood Action Group

Setting the 2010 Priorities

Each year the NAG consults with the local community to decide what their priorities should be. As a resident you have the opportunity to participate by completing this short Questionnaire. Once the top three priorities have been identified, they will then form the basis for action in 2010. So if you care about your neighbourhood, here is the chance to have you say!

All replies will be treated in the strictest confidence and, once the information has been collated and verified, all Questionnaires will be destroyed.
