

LOTS MORE NEWS FROM AROUND THE PARISH

THE PARISH COUNCIL...

together with its MK Council Safer Neighbourhood partners has been in recent consultation with TESCO Kingston about the proliferation of litter mainly dropped on the redway routes by people who are walking and eating or drinking.

We are trying to bring to the table all the food outlets in Kingston, including McDonalds, Domino Pizza, Costa Coffee et al.

All these food outlets are providing the packaging which is gracing our paths and hedgerows.

Can you imagine what it would be like if nothing is done to try to curb this social disease?

The Parish Council would like to see these companies sponsoring the installation of a number of litter bins along the redways.

We just have to encourage everyone to either take the litter home or put it in the bin.

It's really amazing how people can drop litter on the floor within 5 metres of a litter bin and go to the trouble of breaking the glass bottles. **IS IT YOU?**

SCHOOL HOLIDAYS AND TEENS...

Activity sports sessions for the teenage population are being investigated for this year's school holidays.

Do you know about any sport or activity service provider in our area?

Please let us know the contact details.

SCHOOL HOLIDAY PLAY DAYS...

The Parish Council will again be sponsoring play days across the Parish. This year we hope to take the play roadshow to Monkston Park.

Each week in the Easter and Summer holidays there will be 4 sessions per week. 2 sessions in Monkston, 1 in Kents Hill and hopefully 1 in Monkston Park.

These play sessions can be really good for the whole family and very useful for getting to know other people on the estate. Please join in this **FREE** fun opportunity.

Look out for the timetable and dates for these sessions, and avoid those calls from the kids 'there's nothing to do'.

THE PARISH COUNCIL WEB SITE KEEPS YOU UP TO DATE WITH THE LOWER TIER OF LOCAL GOVERNANCE...

You will find access to all the Council meeting minutes, both for the current year and in an archive for the previous years since the web site was started.

The work in our NAG is also minuted and found on the web site.

We try to stay up to date with all important ongoing work of the Parish Council via our web site **news page** which is updated about every 2 weeks.

If you are new to the area, there is lots of information for you, to help you gain local knowledge quickly and easily.

The web site address is given below in the banner line, just put this into your web site browser 'favourites' or 'bookmark' area for quick and easy access.
