

NEIGHBOURHOOD ACTION GROUP

Your local NAG now meets in both Kents Hill and Monkston. We hope this will give local residents the opportunity to join in with discussions

We'd like to hear from you about Tesco shopping trolleys.....

Are you fed up with seeing the trolleys abandoned all over the estates?

Would you be in favour of £1 in the slot for the use of a trolley or would it put you off going to Tesco for your shopping?

Do you think a £1 in the slot system to control trolleys would improve the 'lost' trolley rate?

What do you think about the current magnetic lock wheel system, does it work for you?

Do you find it easy to find a good working trolley when you go to shop at Tesco?

If you go to other MK supermarkets, do you think their system of trolley control is better than here at Kingston?

E-mails to the PC Clerk please.

Local police information at your fingertips in Milton Keynes...

Would you like to receive free crime alerts and information from Thames Valley Police direct to your mailbox?

For several years the Force has operated a messaging system known as Ringmaster in support of formal watch schemes such as Neighbourhood Watch, Pub Watch, Country Watch and Business Watch.

People who sign up for the service will receive emails about burglaries and crime trends in their areas, crime reduction advice, information about the police force and numbers to call, appeals for witnesses – all specific to the areas in which they live or work.

Helen Sharratt, Watch coordinator at Thames Valley Police said: "The aim of these messages is to raise awareness and make people more vigilant. For example if we had a spate of distraction burglaries in a certain area we can warn people what to look out for through this system and help stop anyone else becoming a victim. It can also be used to provide feedback regarding suspicious behaviour and it is a brilliant way for the police to work more closely with the community in preventing and detecting crime."

If you have not signed up to the system, it is quick and easy and you will start to receive messages almost immediately.

To find out more about this free service and to sign up online visit www.tvpcommunitymessaging.org and click on apply, or e-mail Helen Sharratt at helen.sharratt@thamesvalley.pnn.police.uk.
