PURPOSE

This agreement (extension) is to undertake the twice weekly waste collection and disposal from the dog waste bins and litter bins in and around the Parishes of Kents Hill and Monkston (KHMPC)

Marcus Young Environmental Services Ltd (MYES) is a local company that provides a complete management solution that addresses all the issues arising from the installation, maintenance and emptying of dog waste and litter bins. Over the past 15 years this sector of the business has grown significantly resulting in the company recently integrating all its resources to rebrand from its former Marcus Young Landscapes Ltd in order to provide this service exclusively to Town and Parish Councils in Milton Keynes, South Northants and Oxfordshire.

MYES offers a professional service that ensures full compliance with best practice guidelines from the Environment Agency and all relevant legislation. The company is geographically well suited to providing this service and the company employs staff from the local area.

MYES unique customer value proposition is the provision of expert and reliable environmental services that meet the requirements of its clients and their communities. Whilst offering complete peace of mind on matters of quality, environmental impact, health and safety and legislative compliance MYES premium service is still offered at an affordable price.

The company seeks to work in partnership with their clients and active communication is a key element of this which supports the business strategy to deliver an excellent service that exceeds client needs and expectations.
